#### Terms of Agreement

By Clicking The "I Agree" button, you are consenting to accept all these terms and conditions to access N2N-AFE Service real-time stock quotes.

You ("User") understand and acknowledge that you are entering into this end user agreement for the provision of Information with N2N-AFE (Hong Kong) Limited ("N2N-AFE") which brings to you the N2N-AFE Service real-time quote service hereunder (the "Service"). By using the service, user signifies his assent to these terms of use. N2N-AFE reserves the right, at its discretion, to change, modify, add, or remove any of the terms herein at any time. You should check these terms periodically for changes. You warrant that you have the capacity, legal or otherwise, to enter into and perform your obligations under this Agreement.

USE OF THE SERVICE: N2N-AFE grants you a world-wide nonexclusive and non-transferable right to access the Service to view the Information, subject to these Terms. You will not use the Service in breach of any applicable laws, regulations or market conventions and will be responsible for obtaining and maintaining all necessary consents and licenses and for making all filings necessary to receive or use the Service. You shall not trespass, hack, break into, access, use or attempt to trespass, hack, break into, access or use any other parts of N2N-AFE servers, or any data areas for which you has not been authorized by N2N-AFE.

LIMITATIONS ON USE: The Information may only be reproduced when downloaded and viewed by you for your personal use only. You must not reuse the Service in any other way including redistributing it. On termination of these Terms your rights to use the Information and the Service ceases. You may not use the data or any part thereof to establish, maintain or provide or assist in establishing, maintaining or providing an off market or a trading floor or dealing service where trading in (a) securities listed on an exchange or of a type capable of being so listed or (b) any other securities relating to securities described above is being undertaken otherwise than at or through such an exchange.

PROPRIETARY RIGHTS: All intellectual property rights in the Service and the Information, including without limitation copyright and
